Quality materials from
Pearl River Delta

Our products

Other Supplier's

We make felt pads with 2mm distance between each other

Other factories make the felt pads connected each other

We use more material to make the felt pads in good shape. For 20mm 20% more material are used.

Making the felt pads contacted each other saves material, but the product is not circular.

Our felt pads are easy to peel off and is in perfect condition

Hard to peel off from the backing paper and easily damaged.

Each felt pad after peeling off is perfect, beautiful and tight

The felt pad after peeling off is irregular and the felt is loose
