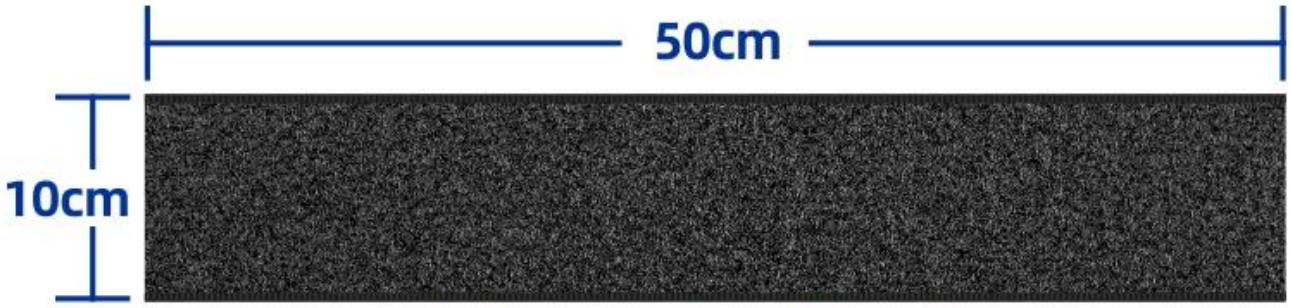
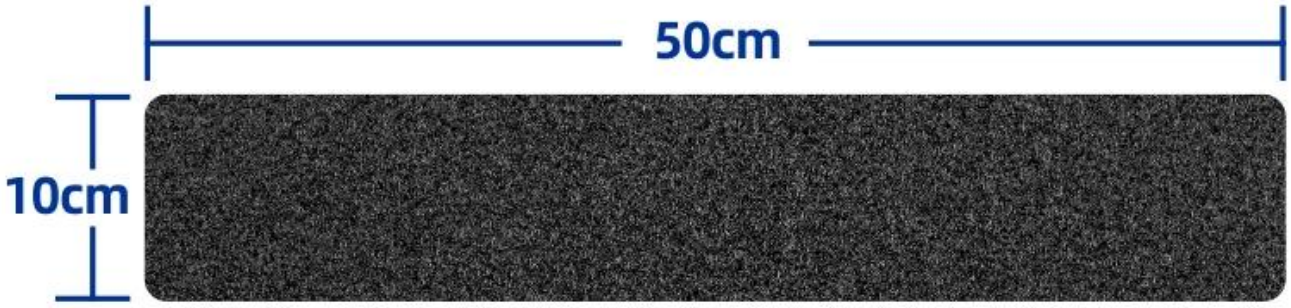
PRODUCT DESCRIPTION

License Plate Holder Tape

Cross-border hits, passing the European Quality Test



Right angle with edge



Rounded corners

No edges to increase the effective contact area by 10%

High-end materials

We have **plenty of experience** in European markets and our car license plate holder adhesive hook loop tapes are hot selling on every Amazon and supermarket in Europe.

We use 100% nylon or mixed nylon polyester material to make the license plate **always stick** on the car during high speed. Please do not use 100% polyester material or worse, to avoid accident caused by dropping.

We use high-performance glue to ensure that the

HIGH-STRENGTH VISCOSITY

and

WATERPROOFNESS

make the license plate stick to the car firmly in different environmental conditions.
