Occupy position

Do you feel upset seeing the messy wires?

It will be ease and comfortable after using the wire cover

Before use

it is disorganized, wires are easy to trip and wear

After use

it is neat and orderly, anti-stumbling, it protects the wires from fraying

Peel the backing paper off the loop tape.

Attach to the location where the wires need to be placed, and press the tape to stick firmly.

Open the cable cover by tearing off one of the hook side and put the wires inside.

After arranging the wires neatly, close the covers by attaching hook to loop.

Carpet type

The version for carpet do not need the adhesive loop tape.

The carpet version is for carpet floor, it is more simple.

After arranging the wires neatly, close the covers by attaching hook to carpet.

Just need to attach one hook side to carpet and grip well, then put the wire in.
