#### Do you feel upset seeing the messy wires?

It will be ease and comfortable after using the wire cover

**Before use** it is disorganized, wires are easy to trip and wear

it is neat and orderly, anti-stumbling, it protects the wires from fraying

The second generation wire cable sleeve cover has more complete functions and better use effect

### **Hook & loop type**

We can customize carpet cover of different widths and sizes in small quantities to cater to different scenes

Can be cut according to needs

## The new hook of the second generation is thinner after fitting, which is not easy to trip

The height after bonding is about 2mm

The height after bonding is about 4mm

Peel the backing paper off the loop tape.

Attach to the location where the wires need to be placed, and press the tape to stick firmly.

Open the cable cover by tearing off one of the hook side and put the wires inside.

After arranging the wires neatly, close the covers by attaching hook to loop.
