BE A SMART CUSTOMER

Our products Other Supplier

Loop:Dense and thick

Loop:Sparse and messy

Both of them are Grade B hook and loop But pull test can be shown their differnt

After more than 100 times close and open, our hook and loop tape still keep the same. Beacause both hook and loop surface are nylon.

Antoher loop surfaces have been pulled apart, which greatly reduces the adhesion, because only the hook surface is nylon.

Strict certification testing provides quality guarantee and WORRY-FREE EXPORT

We have achieved some inspection certification, such as ISO9001:2015, BSCI, SGS, TUV, etc. and have won the title of "Guangdong Province Credible Enterprise" for three consecutive years. In addition, we have obtained over 20 product patents and trademark, as well as 5 patent evaluation reports. A series of quality inspection reports provide quality guarantee and worry-free export.
