Applications:

Cord management can be used to tie up speaker cables, guitar cables, TV cables, microphone mic, computer cables, and much more. Wire management or mask straps for back of head is ideal for keeping all kinds of pc/computer cable straps ties well organized and tidy in place.

Advantages:

1)Cable ties make it easy to organize and route cables.

2)Now you can add cables quickly without tools!

3)No sticky adhesives like tape.

4)No need to remove ties with wire cutters like zip ties.

5)Easily adjustable, reusable hook & loop ties take control of computer and electronics cord clutter.

Applications include cord & cable management, wire-harnesses, inventory control, fibre optics, packaging, in-plant maintenance, etc.
