

Supplier Adhesive PE Furniture Slider Pads Self Adhesive Moving Sliders Furniture Lifter

Product Description

Furniture slider is a good helper to move the furnitures, what you do is just stick it to the legs of what you want to move. It is equipped with PTFE cover to help diminishing the vibration and scratch when moving.

The graphic features a yellow header with the text 'PRODUCT DESCRIPTION' and a white downward-pointing arrow. Below the header, the text 'Furniture leg PE SLIDER' is displayed in blue and white. The central image shows several stacks of white, circular and square sliders on a wooden floor, with a wooden leg of a furniture piece having a slider attached to its base. At the bottom, three yellow buttons list the product's benefits: 'Anti-damage', 'Shock absorption', and 'Sliding assistance'.
