Applications:

If you just recently had expensive new floors installed, or just want to protect your existing floors. This is just what you need.

These felt pads are great! Just peel, and place these right into the bottom of your furniture for a nice and

secure install.

You can install these on chairs, couches, tables and more furniture to prevent slipping or protect your floors.

Furniture, car, packing cable of electronic devices and accessories, garden, camping, office, school, household, industry, hospital and so on.
